

Welcome to the May 2024 issue of the Bromley Environment Network newsletter.

The Bromley Environment Network affectionately known as the BEN. We are a group of local Bromley community groups and organisations that share a belief that a greener and cleaner borough is good for everyone.

We aren't all eco-ninjas - but we do all think that the best way forward is establishing a useful local network to share interesting, helpful information amongst groups in the borough of Bromley to help make it a nicer place to live.

If you have any information you would like to share in the next newsletter then please email by **15 JULY 2024**.

Any events included should be for **01 AUGUST 2024** onwards.

Send to:

bromleyenvironmentnetwork@gmail.com

BEN MEMBER NEWS

Monitoring our rural environment

EnBro is continuing the task of monitoring deterioration in our rural environment. Our regular group walks keep our members on the lookout for fly-tipping, sites being 'groomed' for development, and blocked rights of way, along with footpaths that are deteriorating to the point of becoming dangerous. We are on the lookout for inappropriate planning applications and signs of pollution hazards too. Every one of our members is a guardian of our environment. The more members we have the better the protection that we can give our environment, so why not join us, either as a member or as a participant in our programme of public walks?

Contact us on www.enbro.org.uk

Orpington Repair Cafe

Orpington Repair Cafe's is a small charity led by Reverend Michael Gentry and a group of skilled volunteers who aim to repair household items to extend the lifespan of products, actively reduce waste and make a positive impact on the environment by preventing less waste going to landfill. We do this by holding Repair Cafes on the third Saturday of every month from 10am-1pm at St Mary's Church BR6 6AG. It's also a great place to meet other people who might not otherwise have met in the local community. There is tea, coffee and cakes while visitors wait.

the earth
Bromley**

Garden Party

Saturday 22nd June 2024 1.30-5pm

To raise funds for Bromley Friends of the Earth local campaigns.

Please support us and come along for a fun afternoon!

There will be live folk and blues music all afternoon from local musicians, plant stall, poetry, BFoE information stall, pre-loved fashion swap, craft stalls, bric-a-brac stall and a raffle.

PLUS

- Refreshment stall with home made cakes.
- Plus an award winning CAMRA bar to buy your drinks.

Entrance is free but there will be a collection in aid of Bromley Friends of the Earth. £5 donation per person suggested. The musicians have very kindly donated their time for free.

Location: Orpington Liberal Club garden, 7 Station Rd, Orpington BR6 ORZ

Join us for ParkBathe

ParkBathe is delighted to be collaborating with MHA The Wilderness, The Alzheimers Association and Urban Tree Festival this year as we provide gentle, adapted forest bathing strolls in the beautiful MHA The Wilderness gardens, Shirley for people with Dementia and their carers. The next one is June 8th at 2pm.

There are also ParkBathe strolls in Cator Park on 9th June at 11am and Coney Hall Recreation Ground on 23rd June for all adults, plus a women-only ParkBathe in South Norwood Lake and Grounds, SE25 on 30th June at 1pm.

Something for everyone. ParkBathe provides community-led mindful strolls in urban green spaces, using simple sensory techniques to de-stress, slow down and enjoy all the health benefits of nature connection. Book your free 1hr session via

linktr.ee/parkbathe

ParkBathe is now offering community training for organisations that wish to implement their own regular ParkBathes, so get in touch for information.

Coopers World Earth Day celebrations

This week Coopers has been celebrating World Earth Day 2024 in a number of ways! It started the week with a selected number of students getting the chance to watch a fantastic and moving documentary named "The Plastic Ocean", which tackled some hard topics but all students were incredibly sensitive and listened really well.

The year 7 students this week, in one of their geography lessons, went out into the community to collect all the rubbish they could find around the local area and dispose of it correctly. Students were fantastic in every lesson and even had members of the public stating how fantastic they thought the idea was, as well as how respectful our students were in the community! All staff involved was so proud of our year 7 cohort!

Students also learnt that the issue around plastic waste and being environmentally conscious went beyond just geography! They engaged in some plastic problem solving skills in Maths, the history of plastics in history, as well as reading and interpreting the poem "a letter from somebody living 50 years from now".

Spring Bird & Heron Watch

RSPB Bromley Local Group Spring Bird & Heron Watch, Kelsey Park held 7th April 2024

The RSPB Bromley Local Group in association with the Friends of Kelsey Park conducted their annual Spring Bird and Heron Watch in Kelsey Park in April. Members of the public were given the opportunity to view the birds through their spotting scopes and take part in two organised bird walks around the park.

RSPB's forthcoming talk entitled 'The Dino Bird Link' by Michael Howgate will be held on Wed 12 June at the Verrall Hall, United Reformed Church, Widmore Road BR1 1RY

starting at 7pm. This talk is a little bit different from our normal talks which deal with a variety of subjects from people discussing their conservation and travel experiences to not just birds but all biodiversity. The speaker Michael Hogate is an accomplished geologist and paleontologist who will present a talk on the various theories which have been put forward to explain which group of reptiles could be the direct ancestors of the avian lineage.

Nuthatch Retreats - Woodland walk and talk with mindfulness

A gentle walk through ancient woodland. A chance to slow down, connect to nature and meet new people.

Why not take some time for yourself, to slow down, meet new people and connect with nature? We'll take a gentle stroll through

the summer woodland at Spring Park, make some introductions to mindfulness in nature and have a chance to talk to others in the group. We'll meet at Inchwood in West Wickham. If you'd like to stay on for a chat at the end, we'll have some free cooling drinks!

Greener and Cleaner are going BIG!

With 1,000 people visiting our empowering community Hub in The Glades every month, we want to reach more people than ever before with all that we offer.

We've launched an Aviva Crowdfunder to continue supporting our borough's wonderful residents and springboard the next phase of our growth. Donating to our crowdfunding campaign will enable more local people to live greener, healthier and more financially stable lives. Even better, donations are matched by Aviva (up to the value of £250), so whatever you can spare is doubled! Find out more, watch the video and donate to the crowdfunder here:

www.avivacommunityfund.co.uk/p/sustainable-communities-for-all

DONATE HERE:

Sunshine & Saving Money!

If you have any burning questions around solar for your home, school or community building, why not sign up for Greener & Cleaner's London Festival of Architecture (LFA) morning panel and Q&A at their Community Hub upstairs in The Glades on 5th June. With guest speakers Eva's Energy and South East London Community Energy:

www.londonfestivalofarchitecture.org/event/demistifying-solar-for-homes-schools-more

[GET YOUR TICKETS HERE](#)

The other two LFA we are hosting will help groups understand what the G&C Community Hub is, how it and its projects can support their members and beneficiaries, and wider benefits to the community of leveraging vacant units of shopping centres and high streets in this way, more information here:

THE GREAT BIG GREEN WEEK
8th - 16th June 2024

Whose business is climate change & the nature crisis?

Saturday 8th June
St Paul's Church Hall, Lawn Road
BR3 1RB
On the 352 Bus Route

2pm: Doors Open
2.15pm: Screening of "Our Planet: too Big to Fail"*
3pm: Talk by Bromley Friends of the Earth
3.20pm: Refreshments

We can all be part of the solution
Visit the Green Corner for ideas

*World Wildlife Fund & Silverback Films Production

Short Walking Tours

Betts Park, in Anerley SE20, is a unique survivor of Penge Common and the Great North Wood – with a frankly weird history stretching back over 1000 years. There's a teenage king, an evil landlord, a canny Scotsman, a mysterious old lady, and a wealthy earl. All played a part in saving or destroying the common land to leave us with the last canal in south London and the only park in Bromley now preserved by royal deeds of trust.

At Friends of Betts Park we love showing off our 13 acres and telling the strange tales of its history. Please join us for a free guided tour most Saturdays in June. Tickets are available from:

friendsofbettpark.eventbrite.co.uk

FRIENDS OF BETTS PARK

Prioritising Environmental Initiatives: Knoll Residents Association have their say

76 residents from the Knoll neighbourhood voiced their top priorities in Bromley Council's recent budget consultation. Their feedback not only highlighted the pressing need for environmental action but also underscored the importance of green initiatives in shaping the local agenda.

Topping the list of concerns was the urgent need to enhance waste management and recycling practices. Residents recognised the critical role of sustainable waste solutions in reducing environmental impact and preserving resources for future generations.

Councillor Fawthrop emphasised the significance of community input, stating that the feedback from Knoll residents, alongside other representations, was instrumental in informing the budget-setting process. This collaborative approach ensured that local voices were heard and that environmental priorities were given due consideration in decision-making.

Furthermore, the survey revealed a strong desire among residents to improve green spaces and parks. Recognising the value of accessible green spaces for recreation, health, and biodiversity, residents advocated for investments in maintaining and expanding these vital community resources.

Picture: Broomhill Common in the Knoll area of Orpington. The council have reduced their mowing schedule to allow wildflowers to flourish.

Penge Green Gym

Founded in 2011, Penge Green Gym at Winsford Gardens are a group of local volunteers who look after the park. We run weekly sessions to maintain and enhance the space for wildlife and people alike. We have created a children's play area, bog garden, a wildflower meadow, gravel garden and wildlife pond, raised growing beds and an urban orchard. If you would like to join us we meet every Wednesday from 11am-3pm at Winsford Gardens, Garden Road, Penge, SE207RN

Other News

Join Bromley's Summer Spruce-up!

We're all familiar with the phrase 'spring clean', but what better time for individuals; residents' associations and other community groups; schools; uniformed youth groups (such as Scouts and Girl Guides) and businesses to spruce up their neighbourhood than in summer that starts on 20 June!

How about looking around your local neighbourhood, and reporting anything that needs attention to the council, or joining a litter picking event with friends, family and neighbours, or organising another activity or event yourself that will improve your neighbourhood.

Bromley prides itself on being the greenest London borough and thanks to our contractors and wonderful army of volunteers, it's also clean; however, this summer if you'd like it to be even cleaner, greener and safer please visit www.bromley.gov.uk/BigBromleyBrushUp.

USEFUL BEN INFORMATION

JOIN FOR FREE

www.membermojo.co.uk/ben

The Bromley Environment network brings together community groups from across Bromley Borough.

We aim to share information, inspire and support local people, fellow community groups, and the Council to make our borough a greener, healthier and more sustainable place to live, both now and in the future.
